**OLOL HALL:**

As many of you will be aware, we discovered a problem with the Hall roof in December. This has resulted in the hall being closed due to safety concerns. We are working with the Diocese to get the roof repaired as quickly as possible, although given the scale of the problem this will take a number of months. We are also exploring whether the toilets and heating can be dealt with at the same time. We will try to keep you informed, but if you have any questions please direct them to members of the Parish Council or Finance Committee.
