*To live in our world, and live contrary to the cultural values that stress material things, selfish ambition, and power is to go against the current of the river of this life. Yet, we can let go of these disordered passions by practicing interior gentleness, simplicity, humility, and above all, sacred love.*

**POPE's PRAYER INTENTION**

**(October 2023):**

For the Synod - We pray for the Church, that she may adopt listening and dialogue as a lifestyle at every level, and allow herself to be guided by the Holy Spirit towards the peripheries of the world.
