Dear Parishioners,
We have an exciting opportunity to beautify and enrich the landscape of our beloved, Our Lady of Lourdes Church property. We believe that enhancing our outdoor space will enrich our community spiritually and aesthetically.

We are looking at:

Plant Trees, Plant Hedging, Make a semi-enclosed space near the front for events, our children, and as a place for mediation.

To successfully implement this beautification scheme, we need your support in several ways:

Donations towards purchasing the trees, hedge plants, necessary planting supplements, and maintenance for the first two years. Specific costs for donating a single tree will be available shortly. Your time – If you are interested in volunteering to assist in planting, please contact sean@seanbrannon.com. All hands on deck will be greatly appreciated! Kindly visit our website to know more about this project.
